PRICE LIST—SPRING 1932

LeGRON FLORAL CO.

W. R. LeGRON, Prop.

125 Amherst Drive, - Toledo, Ohio

SHIPPING TIME. We send bulbs out all through Winter months but do not start them during zero weather. When temperature runs around 20 above, we are safe to mail. Bulbs can not be insured against freezing by mail. Express companies insure against freezing without extra charge. We do not lose over two packages per year by mail from freezing the way we pack.

GUARANTEE. If any of our bulbs are not satisfactory when received, return them and we will refund your money with charges both ways.

DISEASES. Bulbs were all treated chemically before planting and have been planted on virgin sandy soil each year for the past eight years.

SUBSTITUTIONS. We do not substitute varieties. Make a few second choice if you wish so that your order may be filled promptly in case we are out of certain varieties. We will substitute the next size to the one you order in case we are out of one ordered unless you request us not to do so. Of course prices are adjusted.

POT OF GOLD. A new introduction of ours this year, originated by Mrs. A. H. Austin. It is a very large pure yellow same shade as Golden Measure and ruffled. Very vigorous grower, growing over five feet tall and leaves sometimes over two inches across. Very prolific. Bulblets germinate almost 100%. Introductory price \$1.00 each, any size.

PREMIUMS. On all cash retail orders of \$3.00 or more one bulb of POT OF GOLD will be given gratis.

PREPAID. All retail orders of \$2.00 or over are sent prepaid. \$1.00 to \$1.99 are sent postage collect. Less than \$1.00 orders we can not fill.

MINIMUM AMOUNTS SOLD. At these prices we cannot afford to sell less than 10 cents worth of a variety. If you wish large bulbs that are listed at four cents each, order three which figures 12 cents. If medium size is wanted in same variety listed at two cents each order not less than five amounting to 10 cents. If less than 10 cents worth of a variety is ordered the money is refunded.

BULBLETS are only sold in quantities as listed as these are counted and put in sacks before the Selling season starts.

MINIMUM orders are one dollar. 25 per cent will hold your order until April first, 1931, when they will be sent C. O. D. No orders are sent C. O. D. unless 25 per cent has been paid. This applies to TELEGRAMS as well. The 25 per cent can be telegraphed.

***** When the * appears before the price it indicates that we have this size in quantities and will allow you 25% discount in lots of 25 to 100. Do not take this discount on items not marked with * as it delays your order while we write you and await your reply.

PLEASE list varieties alphabetically in large orders. All orders are filled in rotation and are accepted subject to prior sales at time of filling order.

SIZES. "L" at top of a column of prices means LARGE and this in turn means bulbs 1 1/4 inches in diameter up. "M", MEDIUM, 3/4 inch to 1 1/4 inch. "S", SMALL, all bulbs under 3/4 inch.
